

## Become a Conference Sponsor

This year’s International Space Station Research and Development Conference (ISSRDC) will celebrate the incredible advances in innovation that are driving scientific and commercial breakthroughs in low Earth orbit. The ISSRDC 2025 agenda will include inspirational speakers, expert panels, and technical sessions that have always been the hallmark of this truly unique conference.

We invite you to showcase your company’s leadership by becoming a conference sponsor. Sponsorship provides an opportunity to make important connections with hundreds of attendees and build your brand with key influencers as well as potential customers and partners. We offer a variety of pre-set packages that provide a vast array of benefits.

Don't see what you're looking for? We can customize a package to suit your individual needs.

Eligibility criteria for Startup sponsorship: Less than 50 employees, in operation for less than 5 years.  
\*Sponsors have the option to exchange booth space for a customizable brand engagement opportunity if they so choose. Benefits and booth size are commensurate with giving level and based on availability. Benefits subject to change.  
\*\*Assigned in order of sponsor level and sign-up date; limited availability.

Additional Sponsorship Opportunities	
Technical Session Sponsor	\$7,500
Hydration Station Sponsor (Exclusive) Your logo will be prominently featured at conference water refill stations strategically located in high traffic areas throughout the event, providing your company with high brand visibility. Includes option to provide branded reusable water bottles for attendees and display marketing materials at select locations.	\$5,000
Women's Networking Event	Contact Us
Charging Stations Sponsor (Exclusive) ISSRDC will have designated areas throughout the conference for attendees to charge their devices. Maximize your brand exposure with logo recognition at each of these high traffic locations.	Contact Us
Digital Signage Advertising Opportunities (Limited Availability) Don't miss the chance to have your company's video or highlight reel (30-second video spot) played on a loop on monitors placed in prime locations during the entire week of the conference. Encourage attendees to visit your booth or attend your event, share information about a product or service, or highlight your success stories.	Contact Us
Workshop Sponsor (Limited Availability) Expand your recognition and share your company's message with industry professionals by sponsoring one of our pre-ISSRDC Monday workshops. Sponsorship includes a speaking opportunity and an option to distribute giveaways.	Contact Us
Education Sponsor	Contact Us
Customizable Brand Engagement & Giveaway Opportunities	Contact Us

To inquire about becoming a sponsor for this year’s conference, please contact Megg Murphy, ISS National Lab Development Manager, at [Sponsorships@ISSNationalLab.org](mailto:Sponsorships@ISSNationalLab.org).

Sponsorship pledges must be confirmed in writing by **May 15, 2025**. Sponsors confirming after this date may not be eligible for all benefits.
